A. PURPOSE

This Directive replaces references (a) and (b), and implements reference (c) to:

1. Update the policy and eligibility requirements for education of DoD dependent students in overseas areas.
2. Authorize the enrollment of other minor dependents in DoD dependents schools conditioned upon available space and payment of tuition.

B. APPLICABILITY

This Directive applies to the Office of the Secretary of Defense, the Military Departments, the Organization of the **Joint** Chiefs of Staff, the Unified and Specified Commands, and the Defense Agencies (hereafter referred to collectively as "DoD Components"). The **term** "Military Services," as used herein, refers to the Army, Navy, Air Force, and Marine Corps.

C. DEFINITIONS

The terms used in this Directive are defined in enclosure 2.

D. POLICY

1. It is the policy of the Department of Defense:

a. That, while overseas, DoD dependent students may be enrolled in, DoD dependents schools or approved **non-DoD** dependents schools, or may take correspondence courses at U.S. Government expense, under the conditions prescribed in section E., below.

b. To allow the enrollment of other minor dependents in DoD dependents schools, provided that space is available and that tuition is paid.

2. DoD Instruction 1342.12 (reference (d)) provides guidance concerning the education of handicapped children.

E. ELIGIBILITY REQUIREMENTS

Students may be enrolled in the DoD dependents schools pursuant to subsections E1. through E.4., below, and in that priority, and pursuant to subsection E.5., below.

1. Space-Required, Tuition-Free

a. Command-sponsored DoD dependent students shall, upon the request of their DoD sponsor, be enrolled in DoD dependents schools on a space-required, tuition-free basis. However, costs for the education of minor dependents of DoD sponsors working for the DoD Security Assistance Program shall be paid from DoD Security Assistance Program funds.

b. If, as determined by the Director, DoD Dependents Schools (DoDDS), or designee, no DoD dependents **school is** available within the commuting area, command-Sponsored DoD dependent students are eligible for education in approved **non-DoD** dependents schools at U.S. Government expense, usually in that same foreign country, or in DoD dependents schools with dormitories, or through correspondence courses at U.S. Government expense.

c. DoD dependent students may be provided education in approved **non-DoD** dependents schools or may receive correspondence courses at U.S. Government expense only at locations where DoD dependents schools are not available or are operating at maximum capacity. Only those **non-DoD** dependents schools with programs considered satisfactory by the Director, DoDDS, or designee, shall be approved to provide education at U.S. Government "expense to DoD dependent students. In all cases, the payment of tuition in approved **non-DoD** dependents schools by the U.S. Government is limited to those DoD dependent students who are authorized transportation at U.S. Government expense to or from an overseas area, if their DoD sponsor is military, and to those DoD dependent students whose DoD sponsor, if civilian, is eligible for a living quarters allowance, as authorized by the Department of State Standardized Regulations (reference (e)) and DoD 1400.25-M (reference (f)).

d. If adequate housing is available within the commuting area of a DoD dependents school and an appropriate educational program is available at that school, tuition will not be authorized for the attendance of DoD dependent students in an approved **non-DoD** dependents school in that same locality, except as authorized in paragraph **E.1.c.**, above. DoD dependent students who currently are enrolled in an approved **non-DoD** dependents school and who would be adversely affected by this limitation may, at the discretion of the Director, **DoDDS**, or designee, be authorized to continue in attendance in that approved **non-DoD** dependents school through the 1984-85 school year, or until the rotation of the DoD sponsor out of the command, whichever is earlier.

e. Approved **non-DoD** dependents schools that are available free of charge and that offer instructional programs in English should be used, if feasible, before contracting for education in approved **non-DoD** dependents schools that charge tuition.

f. If no DoD dependents school within the commuting area of a handicapped DoD dependent student is able to provide an appropriate education to that student, **DoDDS** may place the student in another DoD dependents school. If no appropriate DoD dependents school **is** reasonably available, **DoDDS** then may place the student at U.S. Government expense in an approved **non-DoD** dependents school overseas. **DoDDS** may place a handicapped DoD dependent student in an approved **non-DoD** dependents school in the United States only if no appropriate school is reasonably **available-overseas**. **DoDDS** may not place a **non-DoD** dependent student in a **non-DoD** dependents school at U.S. Government expense.

g. DoD dependent students who are the dependents of a DoD sponsor who is detained by a foreign power or is declared missing in action or otherwise unlawfully detained may remain in a DoD dependents school, or in an approved **non-DoD** dependents school, at U.S. Government expense for as long as the detention or missing status exists, subject to the approval of the Director, **DoDDS**, or designee.

h. DoD dependent students who are authorized attendance in a DoD dependents school or an approved **non-DoD** dependents school may complete the current school year if the DoD sponsor is transferred, dies, or retires during the school year, but subsequently shall lose their eligibility to attend, except on a space-available, tuition-free basis in a DoD dependents school as prescribed in paragraph E.3.b., below.

i. If DoD dependent students are authorized to accompany their DoD sponsor to the country of the sponsor's assignment, such dependent students ordinarily will not be entitled to space-required, tuition-free education in a DoD dependents school in a different overseas country or to education in a **non-DoD** dependents school at U.S. Government expense in that different country. Any exceptions to this policy must be approved by the Director, **DoDDS**, or designee.

2. Space-Available, Tuition-Paying (Federally Connected)

Under Section 1404(c) of the "Defense Dependents' Education Act of 1978" (reference (c)), if the Director, **DoDDS**, or designee, determines that space is

avail able, consistent with the local military commander' s policy concerning access to the installation and agreements with the host nation, other minor dependents in the categories specified in this subsection may be enrolled in a DoD dependents school upon payment of tuition. The amount of tuition shall be determined by the Director, **DoDDS**, or designee, and may not be less than the rate necessary to cover the average cost of enrollment of children in the DoD dependents schools. Clarification on how tuition rates are determined is contained in DoD Directive 4000.19 and DoD Instruction 7230.7 (references (g) and (h)). Minor dependents in this category may be enrolled in the following priority:

a. Minor dependents of other U.S. Government agency employees stationed overseas.

b. Minor dependents of U.S. citizens who have executed contracts or who are employed by parent organizations that have executed contracts or other agreements with the Department of Defense when the applicable contract or **agree-**ment authorizes dependent education on a tuition basis **in** the DoD dependents schools. A copy of the document authorizing attendance shall be presented to the appropriate DoD dependents school official at the time of enrollment. Examples of individuals whose minor dependents are covered by this paragraph include:

(1) Nonappropriated **fund** instrumentalities (universal annual) employees.

(2) Defense contractor personnel.

(3) United Services Organizations, Inc., personnel.

(4) American Red Cross personnel.

c. Minor dependents of host-nation or third-country national military or civilian personnel accompanying or serving with the Military Services overseas, when recommended by the major overseas commander and when approved by the Director, **DoDDS**, or designee.

d. Minor dependents of other sponsors who are serving the national defense interest, as determined by the Director, **DoDDS**, or designee.

3. Space-Available, Tuition-Free

Under Section 1404(c) of the "Defense Dependents' Education Act of 1978" (reference (c)), the following classes of DoD dependent students may be enrolled, in the priority given below, in DoD dependents schools on a **space-**available, tuition-free basis:

a. Minor dependents of military DoD sponsors who are stationed in overseas areas to which their dependents are not authorized transportation at U.S. Government expense or minor dependents of civilian DoD sponsors who are not entitled to a living quarters allowance as authorized by the Department of State Standardized Regulations (reference (e)) and DoD 1400.25-M (reference (f)),

when the sponsors elect to transport these dependents at their own expense to overseas areas **in** which the sponsors are stationed (noncommand-sponsored dependents) . If at any time during a DoD sponsor's overseas assignment that sponsor's minor **noncommand-sponsored** dependents become command-sponsored or the sponsor acquires minor, command-sponsored dependents, those dependents shall be authorized "space-required, tuition-free" status.

b. DoD dependent students who are dependents of DoD sponsors who die while entitled to compensation or active duty pay at the time of the sponsor's death, provided that the surviving spouse either was residing in an overseas area when the sponsor died or has been a citizen of a foreign country and returns to that country. The DoD dependent student must be enrolled in a DoD dependents school **either** within 1 year **of** the DoD sponsor's death or, if the dependent is below school age when the sponsor dies, within 1 year of the dependent's becoming eligible to enroll.

c. **Noncommand-sponsored** DoD dependents who are enrolled in a DoD dependents school may remain **in** a DoD dependents school **if** their sponsor **is** declared missing in action or otherwise unlawfully detained for as long as the detention or missing status exists, subject to the approval of the Director, **DoDDS**, or designee.

4. Space-Available, Tuition-Paying (Nonfederally Connected)

Under Section 1404(c) of the "Defense Dependents' Education Act of 1978" (reference (c)), the following minor dependents may be enrolled in a DoD dependents school upon payment **of** tuition if the Director, **DoDDS**, or designee, determines that space **is** available:

a. Dependents of U.S. **citizens** residing in overseas areas, including dependents-of retired personnel, or of deceased personnel not covered in paragraph **E.3.b.**, above.

b. Dependents of foreign nationals, when there is no objection from the host nation and when such inclusion does not displace or prevent inclusion of **US**. citizen-sponsored minor dependents seeking admission on the same basis at the same time.

5. Education in the Republic of Panama

Eligibility requirements for education in the Republic of Panama are prescribed in enclosure 3.

F. RESPONSIBILITIES

1. The Assistant Secretary of Defense (Manpower, Reserve Affairs, and Logistics) shall monitor compliance with this Directive.

2. The Heads of DoD Components shall comply with this Directive.

3. The Director, DoD Dependents Schools, or designee, shall:

a. Authorize the attendance of DoD dependent students in DoD dependents schools or approved **non-DoD** dependents schools, or provide correspondence courses at U.S. Government expense, in accordance with this Directive.

b. Authorize the enrollment of other minor dependents in DoD dependents schools, in accordance with this Directive, and establish priorities among those dependents within an eligibility category.

c. Provide information and guidance to DoD sponsors regarding enrollment in DoD dependents schools, residence in DoD dependents school dormitories or approved **non-DoD** dependents schools dormitories, enrollment in approved **non-DoD** dependents schools, and receipt of correspondence courses.

d. Establish, in coordination with the supporting installation or community commander, commuting areas around DoD dependents schools for the purpose of determining eligibility for transportation of DoD dependent students. (See DoD 4500.36-R, reference (i).)

e. Periodically review the educational programs in approved **non-DoD** dependents schools that are used to educate DoD dependent students to ensure that these programs are satisfactory.

4. Commanders of overseas installations, military communities, or activities shall:

a. Advise incoming and newly assigned personnel about the DoD dependents schools' commuting areas and the extent of pupil transportation service supporting the local DoD dependents schools.

b. Assist incoming and newly assigned personnel in obtaining housing within the commuting area of the local DoD dependents school, if feasible.

c. Advise incoming and newly assigned personnel that, if adequate housing is available within the commuting area of a DoD dependents school and if the DoD sponsor's place of employment is also reasonably accessible from that commuting area, tuition assistance will not be available to provide education in approved **non-DoD** dependents schools for minor dependents of DoD sponsors who elect to reside beyond the commuting area of a DoD dependents school. (See reference (i).)

d. Inform incoming and newly assigned personnel that they will not be reimbursed for unauthorized enrollments in **non-DoD** dependents schools.
